

# Dominican Republic Projected Itinerary

## Tuesday Oct. 17

After flying from the United States, we will arrive in the Dominican Republic in the afternoon or evening. Once we reach Santo Domingo, we will settle into our accommodations before enjoying a relaxing dinner. Following dinner, we will take some time to rest and recover from the travel day.

## Wednesday Oct. 18

After enjoying our daily provided breakfast, the day will be spent exploring the historical sites of old Santo Domingo. As the oldest permanent European settlement in the Americas, founded in 1498, Santo Domingo boasts numerous colonial sites dating back to the 1500s. We will enjoy a midday meal while in the city and will return in the evening to our accommodations to prepare for dinner at a local restaurant.

## Thursday Oct. 19

Our day will be spent venturing into the mountainous regions of the Dominican Republic. Here, we will witness the stunning natural beauty that lies beyond the coastline, including the lush coffee plantations that thrive in this area. Lunch and dinner will be enjoyed at restaurants while exploring.

## Friday Oct. 20

On this day, we will dedicate our time to work projects in collaboration with Juan Santos and his church, Accion Misionera Los Palmares. Our aim is to not only complete tasks but also build relationships as we work alongside members of the church. After our day of serving, we will return to our accommodations to prepare for dinner at a local restaurant.

## Saturday Oct. 21

Today, we will make our way to the coast to embark on a snorkeling tour and immerse ourselves in the beauty of the Caribbean Sea. Following the tour, we will have lunch and spend the rest of the afternoon lounging on the beach. In the evening, we will return to our accommodations to freshen up before heading out to dinner at a local restaurant.

## Sunday Oct. 22

On Sunday, we'll attend service at Accion Misionera Los Palmares. We'll experience the vibrant worship of the locals in Santo Domingo, and enjoy a time of fellowship with believers outside of our normal context and language.

## Monday Oct. 23

Our day will be spent seeing the production process of the program Hermandad Cristiana. We will spend time with Juan Santos, the speaker and producer of the program. In his studio, we will see and hear him craft the message of hope in the Spanish language, which is broadcasted all throughout the Spanish speaking world via radio and social media. Following our time in the studio, we will have our final meal together, fellowshiping in the home of Juan and his wife Miriam.

## Tuesday Oct. 24

In the morning, we will prepare for our flight home to the United States.
